Single Track Tour

A custom built tour geared to your needs and your riding. Explore the trails that make this Valley famous. Take full advantage of your riding time in Whistler!

\$69/person, \$69/extra hr • 2 - 4 hours duration

Skills: Mountain Biking 101

It's about the fundamentals: weight distribution; ratcheting; wheel lifts; small drops and more. Much in your ability will improve, most importantly your confidence!

\$119/person • 1.5 hr duration

Lost Lake Park or Valley Tour

A 'must do' while in Whistler! Lost Lake Park is a bikers paradise. From easy rolling paths we'll show you all corners of these scenic Whistler highlights!

\$119/person, \$238/family • 2 hour duration

More to Explore

Whistler's extensive trail network provides breathtaking views and thrilling terrain with more than 100 km of trails. We'll provide the right bike for you to ride paved Valley paths or challenge the mountain single-tracks that make mountain biking in Whistler famous.

All skills and tours include a helmet and rental bicycle for the day. We feature high quality rental bikes and PMBI certified guides.
